## Year 3 home learning - Week 14 (13.7 20 - 17.7.20)

Remember to share your super work onto the Purple Mash Year 3 Notice board! Computing tip - when work is completed, click on the purple rectangle with the three white lines (top left hand corner!). Then click on share, save your child's class file, share on the display board then select the year 3 noticeboard!

#### Maths

We all know how important it is to know our tables!

Practise your 2's, 5's, 10's, 3's, 4's and 8's. Keep climbing up the leader board by practising your tables on Timestable Rockstars too!

<u>Purple Mash</u>, play 3 times table pairs and 4 times table pairs.

## My Maths,

We would like you to try some of the work in the Activities section, which is on the bottom left of the screen, once you have logged in.

In the number activities try

Addition and subtraction Number cards activity, Practise number bonds to 100.

If you are in Mrs Walker Hodgson's maths set, here is an extra challenge Pyramid Puzzle! Everyone can try if they wish!

### **PSHE**

<u>Have you any worries?</u> Maybe you are thinking about next year. What class you will be in? Who will be your teacher? Will you see your friends soon? Read the book Everybody Worries by Jon Burgerman.

Read the book with a grown up and discuss it.

https://en.calameo.com/read/000777721945cfe5bb9cc?authid=Xu9pcOzU3TQx

Make a hopes and dreams Poster. Take a picture of it and send it to us.

Remember on **BBC** Bitesize there are a great selection of activities for all of the curriculum and it also has a **Daily Lessons** section. Take a look at the Year 3 lessons, they have videos and activities too!

In the measurement section try,

 $\label{lem:measurement} \textbf{Measures 1} \ \text{and} \ \textit{C} \textbf{alculation climber}.$ 

In the Geometry section try,

Geometry - Position and direction.

Position and direction then Angles, beat the clock.

# **English**

Purple Mash. Read chapters 5 and 6 of The Magic Pen, then answer the online multiple

Then, in the Serial mash

section, click on Sapphires then The Magic Pen.
Do the sequencing, SPAG and open ended
questions activities in your English books for
Chapters 5 and 6.

<u>Purple Mash English - Grammar - Word work.</u>
We are revising using better words. Watch the videos, then complete the activities, **Avoiding**Said and **Avoiding Then**.

Pick one of your favourite books from home and try reading a chapter of it out loud to someone else in your house. Use plenty of expression, especially when a character is talking.

## For Fun

Colour in/Drawing. Colour in a picture or do some drawing - it often helps you to concentrate and relax your mind.

Colours - Purple Mash - How many different colours do you know? You can draw us a picture showing them all. Be creative. Do what you would like you do!!

Make some wild art - Use sticks, leaves, flowers and anything else that you can find outdoors.

Exercise! Don't forget that this is good for body and mind.

Cosmic Kids a good website full of videos that make Yoga fun for everyone. Get some grown ups to have a go!

Go Noodle. Go noodle gets children up and moving to, fun engaging content and games. It allows children to wake up their bodies as well as their minds.

BBC Supermovers. These are great videos to get you up and moving. They are also linked to the curriculum.

There are lots of activities and even a free daily audiobook under the "elevenses" section!

Put a little pile of books you want to read in the holidays in a special place and try and read them all in the Summer holidays. Your new teachers will love finding out about your favourite books and authors.

The Year 3 teachers are going to try and read 3 chapter books in the holidays. Wish us luck!

Make up your own five minute exercise routine! How imaginative can you be? Teach it to a family member!

Get outside as much as you can. Have fun with all your family!

Oxford Owl also offers a range of books children can read online. You all know how to access this at home!
