### English

## Be a poet!

Write an acrostic poem about Summer. Here is an example:

Now try writing a poem about a minibeast. It doesn't have to rhyme...have fun!

### Writing Instructions:

Write the instructions on how to play your favourite game.

Write instructions explaining how to make a simple toy.

**Reading: Who is your favourite author and why? Which books have you enjoyed reading the most? Which book would you recommend to your friends?**

### Science

## Living things - Minibeasts

Summer is a great time to see lots of minibeasts whilst in your garden or on a walk. Look on plants, under rocks, stones and logs. How many different types of minibeast can you find?

We'd like you to make a fact file about minibeasts.

Tell us where you found them, what they look like and anything else that you can find out about them.

Include pictures, diagrams, descriptions, photographs, etc. You could decorate your fact file, too.

We can't wait to see your amazing fact files! 😊

## DT

### Design a puppet

Draw a picture of what you would like your puppet to look like. Here are some examples:

We would like you to try making your puppet. Gather materials such as cloth, wool, buttons, etc, to make your puppet. Can you do some sewing? You might need to ask a grown up to help you.

When you have made your puppet, you could produce a puppet show. You could make your very own puppet theatre using a box. Have a go...it's lots of fun! Maybe you could add your puppet shows to the Year 3 blog page so that we can all watch the show!

## Maths

### Money:

Count the money in your money box. How much money do you have? Take away three coins. How much do you have now? Choose 5 coins - how much do you have altogether? Now try again using different coins.

### *Fish and chips!*

Fish £ 3.00	Pie £1.75	Nuggets £1.00
Chips 75p	Fritter £1.50	Juice 65p
Sausage £1.25	Mushy peas 50p	Tea 55p

Have a look at the menu above.

How much would it cost to buy...Fish and chips? Sausage and chips? Pie, peas and chips?

How much change would you get if you used a £5? How much change would you get if you used a £10?

Have a go at creating your own menu!

## History

### Summer holidays

For a very long time people have been enjoying summer holidays. Find out about holidays in the past. Where did people go? What did people do? Compare holidays that people have today to those of people who lived 50 years ago...even 100 years ago. What can you find out? Ask your parents, grandparents and family friends about their holidays as children. Do they have any photographs that you could look at?

## Wellbeing

### Friendship

Think about your friends. Who are you missing?

Why are you missing them? Create a picture with a message for a friend saying why you are missing him / her. You could tell them why they are special to you and what you miss doing with them. Let them know what you are looking forward to doing with them next time you meet.

Make a book to show holidays throughout the years - include old photos if possible. It would be lovely to see your special books. Have a look at: <https://www.bbc.co.uk/teach/school-radio/audio-stories-victorian-seaside/zfxjkmn>

### **Be a Jumping Jack!**

Can you have a go at these different kinds of jumps?

Jumping on the spot

Star jumps

How many can you do in 2 minutes?

Long jump

How far can you jump?

## Art

### **Messy Art!**

*For these activities you will need a sunny day and grown up supervision...have lots of fun!*

Hand and footprints in paint:

Paint your hands and make lovely patterns!

Now do the same thing using your feet!

**High jump**

**How high can you jump?**

**We'd love to see pictures of your jumps!**

**Get a large piece of paper and have fun splashing paint onto it! Get messy! Get creative! We can't wait to see your art work!**
