

CRACK!

WHOO!

Reception Home Learning Week 8 and Week 9

Welcome to Week 8 and Week 9 of Home Learning. First we would like to say 'Thank you' to all of the grown-ups for supporting their child's learning so well at home. We think you are **amazing!** Secondly, we would also like to say a huge '**WELL DONE**' to all of the children for continuing to work hard on their learning at home. Thirdly and finally, we would like to share our brand new topic, which we hope will keep the excitement going whilst learning from home...

All of the activities we have prepared for you all will run over **TWO** weeks.

Please **DO NOT** complete all of the activities in the first week. It would be great if you could share them out across the two weeks. Below, you will find two Literacy tasks and two Maths tasks. Please choose 1 to complete as part of Week 8 Home Learning and the other as part of Week 9.

You will also find a 'Pick and Mix' set of activities to complete as and when you can across the two weeks. As always, please remember that you **DO NOT** need to complete them all, just as many as you wish.

Superheroes

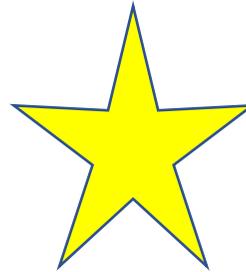

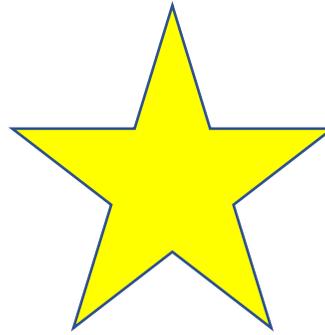

BOOOOM!

Literacy Focus 1

Pretend that you are a Superhero! Draw a picture of you as a superhero. Then write some sentences about your picture.

- Your first sentence should tell us your superhero name.
- Your next sentences should tell us your super power.
- Your final sentence can be anything else you would like to tell us about your superhero self.

Maths Focus 1

Complete the Superhero addition task on page 6. If you do not have a printer, you could write the number sentence on some paper.

Please try your best to complete the number sentences. You might like to use your fingers or practical equipment (pasta, buttons, toys etc.) to help you work out the answer.

For an extra challenge, you might even be able to count on from the first number.

Eg. $4+5=$ put the number 4 in your head and count on 5 more. 4,5,6,7,8,9. The answer is 9.

Literacy Focus 2

Pretend you are a Superhero and you're about to catch a baddy.

Create a Wanted poster for the baddy.

We've done one of these in school before, but in case you can't remember, an example Wanted poster is attached (page 6). You could use this as a template or you could be creative and make your own.

We hope you manage to catch the baddy!

Maths Focus 2

Complete the Superhero subtraction task on page 7. If you do not have a printer, you could write the number sentence on some paper.

Please try your best to complete the number sentences. You might like to use your fingers or practical equipment (pasta, buttons, toys etc.) to help you work out the answer.

For an extra challenge, you might even be able to count back from the biggest number.

Eg. $10-3=$ put the number 10 in your head and count back 3 more. 10,9,8,7. The answer is 7.

CRACK!

WHAM!

To become the **ULTIMATE** superhero, you must complete lots of challenges! There are lots of challenges listed below however, please remember, you have **TWO** weeks to complete them. Also, you do not have to complete them all. Please just try to do as many as you can. Remember to add all of your lovely work to Tapestry too as we love to see all of your great home learning.

Super Smoothie Challenge

With the help of a grown-up, make a super smoothie. We have attached a simple recipe which you might want to use (page 11). Alternatively, you could make your own which includes your favourite fruits.

For an **EXTRA** challenge, you could have a go at writing some simple instructions on how to make a super smoothie.

Exercise Challenge

Follow this link or copy and paste it into your browser.

<https://www.nhs.uk/10-minute-shake-up/shake-ups?filter=the-incredibles>

It will take you to the NHS 10 minute shakeups page. Complete 1 or more of the Incredibles' exercise activities.

Super Speedy Challenge

Create an obstacle course in your home or garden. See how long it takes you to complete it.

Alternatively, time yourself whilst running/jogging/hopping/jumping up and down in your outdoor space at home.

Super Veggies Challenge

Can you remember when we read the story of Supertato?

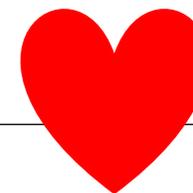

Your challenge is to create your very own vegetable superhero. Some images are attached to page 10 to give you some ideas.

Invisibility Challenge

Create your own Superhero mask. We have attached a template below (page 9) which could be used or you could make your own from paper.

My Hero Challenge

Think about someone who is a hero to you. It might be a grown-up or someone that you look up to. Draw a picture of your own hero.

BOOOOM!

Helping Hands Challenge

Become a superhero in your own home by helping your grown-ups to do some household jobs.

Handprint Challenge

Draw around your hand and then colour it in to look like a superhero.

Superhero Den Challenge

Create your own superhero den in your home or outdoor space. Once complete, we're sure it will make an excellent space to READ! Ron the Reading Rat would love to see everyone's reading dens.

Message from Ron- Keep smiling and keep reading!
Don't forget to use the Oxford Owl website to access free ebooks.

Purple Mash 2 Dos

Superhero MashCam- Put yourself in the role of a superhero

Design your own Superhero cape

Simple City- Not all heroes wear capes! Find out about the role of Doctors and Nurses by watching the videos and completing the activities.

Bonus Challenge on the next page.

Remember- not all heroes wear capes!

We have lots of superheroes living around us that you might not realise are actually superheroes. A doctor or a nurse is a superhero because they make sure everyone is okay. There are many more local superheroes too. Sometimes, they might be called key workers.

Your final challenge is to create something to celebrate these superheroes (key workers). Please be as creative as you can!

Here are some ideas.

Create a banner/poster to thank key workers, decorate a pebble and then hide it, create a thank you card for a key worker in your family, make up a song about key workers.

And don't forget to CLAP for all of our SUPERHEROES every Thursday.

Super Veggies Challenge- ideas

Super Smoothie Challenge
Simple Recipe Card

Strawberry Smoothie

Makes 8 small servings

Ingredients

500ml cold milk
2 x 120g pots strawberry yogurt (amount can be slightly varied)
2 ripe bananas
8 large ripe strawberries
Small squeeze of lemon juice

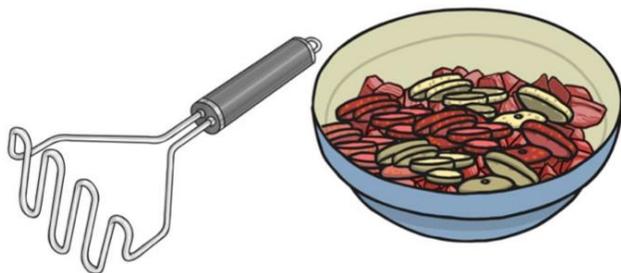

Equipment

Potato masher
Small glass
Safe knife
Chopping board
Large glass/ceramic bowl
Whisk

Step 1. Pull the green stalk off the strawberries and cut into quarters. Peel the bananas and cut them into slices. Put them into a large bowl.

Step 2. Use the back of a fork or a potato masher to mash the strawberries and banana. Keep mashing until you have a fairly smooth consistency. Add a small squeeze of lemon juice.

Step 3. Measure the milk in a jug. Stir in the yoghurt.

Step 4. Gradually whisk the milk and yoghurt mixture into the bowl.

Step 5. Pour into a glass and enjoy!
